Miracle Block Paving Brush

The amazing, environmentally friendly solution to removing moss and weeds from grout and cracks

- No more pressure washing!
- No more chemicals!
- No more bending!

At last – an effective solution to keeping block paving clean – without disturbing its sandy bed or the environment. Wooden head with 3 rows of converging, tough bristles, gives extra-ordinary, targeted cleaning power. Extra long (158cm) handle allows even tall users to work comfortably without stooping. RRP only £9.95 - please contact Burgon & Ball for further details.
